This horizontal bar chart displays task durations for four consecutive days in July. The y-axis is labeled with the dates: Jul 26, Jul 27, Jul 28, and Jul 29. The x-axis represents the duration of each task, with major grid lines at 1, 2, 3, 4, and 5 hours. Each date group contains multiple bars, indicating the duration of individual tasks. The lengths of the bars generally fall between 1 and 3 hours, with a few outliers extending up to 5 hours.
